Dear Mr. Winter:

Marine & Environmental Testing, Inc. (M&ET) conducted lead-based paint and asbestos surveys at the Port of Portland's (POP) Marine Terminals 1 and 4 on October 27, 30 and 31, 1995.

Specific details, observations and recommendations of the survey are outlined in the attached report. If I can be of any further assistance, please call me at 282-6920.

Sincerely,

Ken Semore  
Industrial Hygienist
